

VSDAA President message about VSDB Mascot Transcript

May 11, 2023

Hello Deaf Alumni

I'm Michele VanBoxlaere, VSDAA President

I wanted to let you know that I got an email from VSDB Superintendent Pat Trice

About what? VSDB Ballot Mascot form with ASL translation about how it works.

I will post the 2 (attachments) under my post, it will be after this video

ASL video, you will see deadline May 24 which is wrong, it is May 25

You will see consultant's email which is for me and blind alumni president to send results

I stress the Mascot Ballot Results

Okay now, the form that you will see

Also, the ASL video and form will be posted on VSDAA.org website so you can check it out or print it out or whatever like Facebook and email distribution lists as well

When you cast the ballot for either mascots, email me about which ballot you want or print and send it to me as attachment (and email it to me)

My email is VSDAAPresident@gmail.com

By May 25

On May 26, I will tally/count the ballots with one of my board members to watch/witness to make sure the count is all correct to certify the results before sending it to the consultant based on the majority winning vote

I want to double check my email....

That's all

Thank you for watching this video, bye bye
