Dear Aimee Rogstad Guidera,

I am writing this letter to express my deep dissatisfaction with the way Pat Trice has been handling the affairs of our school, Virginia School for the Deaf and the Blind. As a concerned citizen and alumni, I feel that it is my duty to bring to your attention the various issues that have been plaguing our schools under Pat Trice's leadership.

Firstly, I am extremely disappointed with the lack of transparency and accountability in the decision-making process. It seems that important decisions are being made without any consultation with the parents, teachers, and other stakeholders. This has resulted in a lot of confusion and frustration among the community. Our voices were not heard.

Secondly, I am deeply concerned about the deteriorating quality of education in our schools. I have heard and seen videos of the current students voicing their concerns and outrages. As an alumni, this hurts to see this happening to our current students.

Thirdly, I am appalled by the way Pat Trice has been treating The Deaf community, Alumni's, the teachers and staff of our school. This is unacceptable and goes against the values of our community.

In light of these issues, I urge you to take immediate action to address these concerns. I request that you do not renew Pat Trice's contract at Virginia School for the Deaf and the Blind and increase transparency and accountability in decision-making, and ensure that the teachers and staff are treated with respect and dignity. I hope that you will take my concerns seriously and take appropriate action to address them. I look forward to hearing from you soon.

Sincerely,
