

# PRESERVING THE MASCOT LEGACIES

Recently, VSDB moved to a shared unified mascot that represents all of its students, the Deaf, the Blind, and the Deafblind. Over the next year, VSDB will transition to the new Unified VSDB Mascot, the Defender.

As stakeholders, VSDB wants your ideas to create ways to preserve the importance of the legacy and the history of both the Chief and the Cardinal.

All ideas to honor the Chief and the Cardinal will be considered.

Please email or send a video with your suggestions on how VSDB can preserve the history of the mascots.

Please send all ideas to the Unified VSDB consultants at:  
[linda@teoconsulting.org](mailto:linda@teoconsulting.org).

Important: On the subject line of your email, please put "VSDB".

**Ideas and suggestions will only be accepted from Monday, June 26th to Monday, July 8th**

Thank you in advance for your suggestions!
