COLUMNS

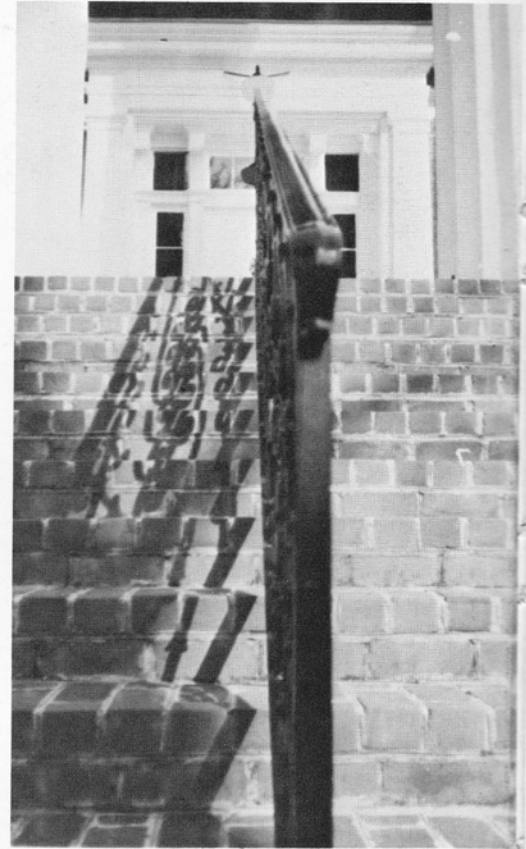

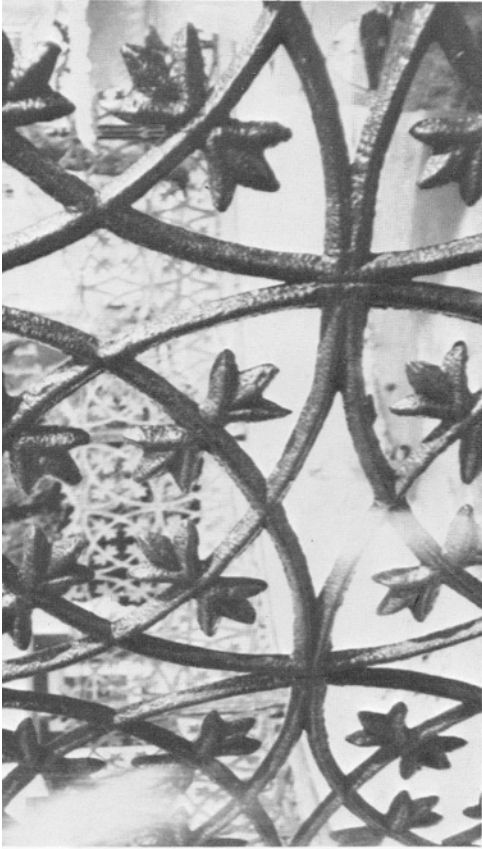

“Memories of VSD”

1974

# FOREWORD

The theme of the 1974 White Columns is "Memories of VSD". We hope that as the reader leafs through these pages he will remember the Virginia School for the Deaf with affection. For who could forget this campus, with its strange perspectives, the old juxtaposed with the new, its people, places, events, organizations, and its many, many steps? We hope we have captured them all and that in these pages their memory shall live forever.

# TABLE OF CONTENTS

# MRS. EMYLEE MARIAN KOLB BENNETT

It is with pride and pleasure that the seniors of VSD dedicate the 1974 White Columns to Mrs. E. M. Bennett. Mrs. Bennett came to Staunton in 1950 from her native South Carolina. In 1953 Joe E. Healey, then Superintendent of VSDB, offered her the position of nursing supervisor, which she accepted and filled for twenty years.

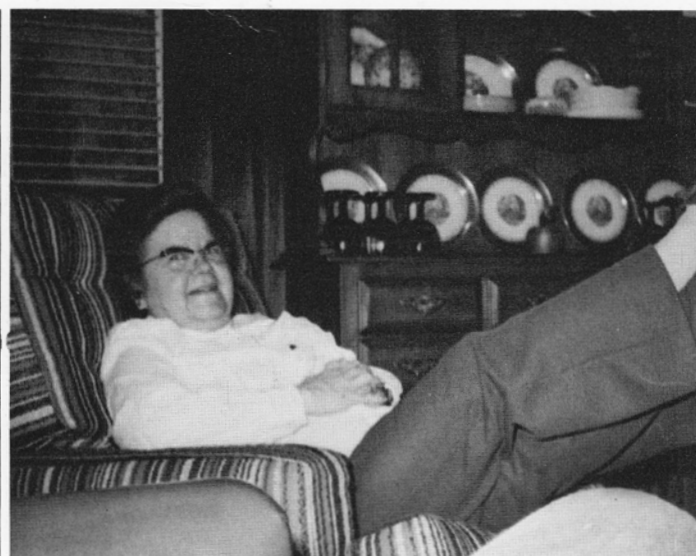

Mrs. Bennett recently retired and it is felt, that in dedicating the yearbook to her, the seniors will be able to show their gratitude for her good work and how much she is remembered by them all.

Head Coach Archie P. Harris felt that in spite of the record the Junior Varsity players had shown that they could play football well. Ass't. Coach Moore was well pleased with the performance of several young players. Coaches Harris and Moore have discovered some fine boys who could be our finest stars in the near future. They are Thomas Helms, Linwood Canada, and Mike O'Brien.

Thomas Helms led the team in rushing, Mike O'Brien with the most touchdowns and points scored, and Linwood Canada with the most tackles. Ronnie Garrison, Lynn McNeely, David Murphy, David Parker, Steve Richards and Tom Hess did good jobs as linemen.

## 1973 VSD FOOTBALL

Due to the fact that the Cardinals were inexperienced and light, we were outmanned and wound up with another losing season, 2-7-1. VSD won its first game against host Hargrave Military B team, 18-0. Donald Blankenship, who was the heart of our VSD offense thru the season, rushed for 176 yards and caught 5 passes for 53 more for our first victory.

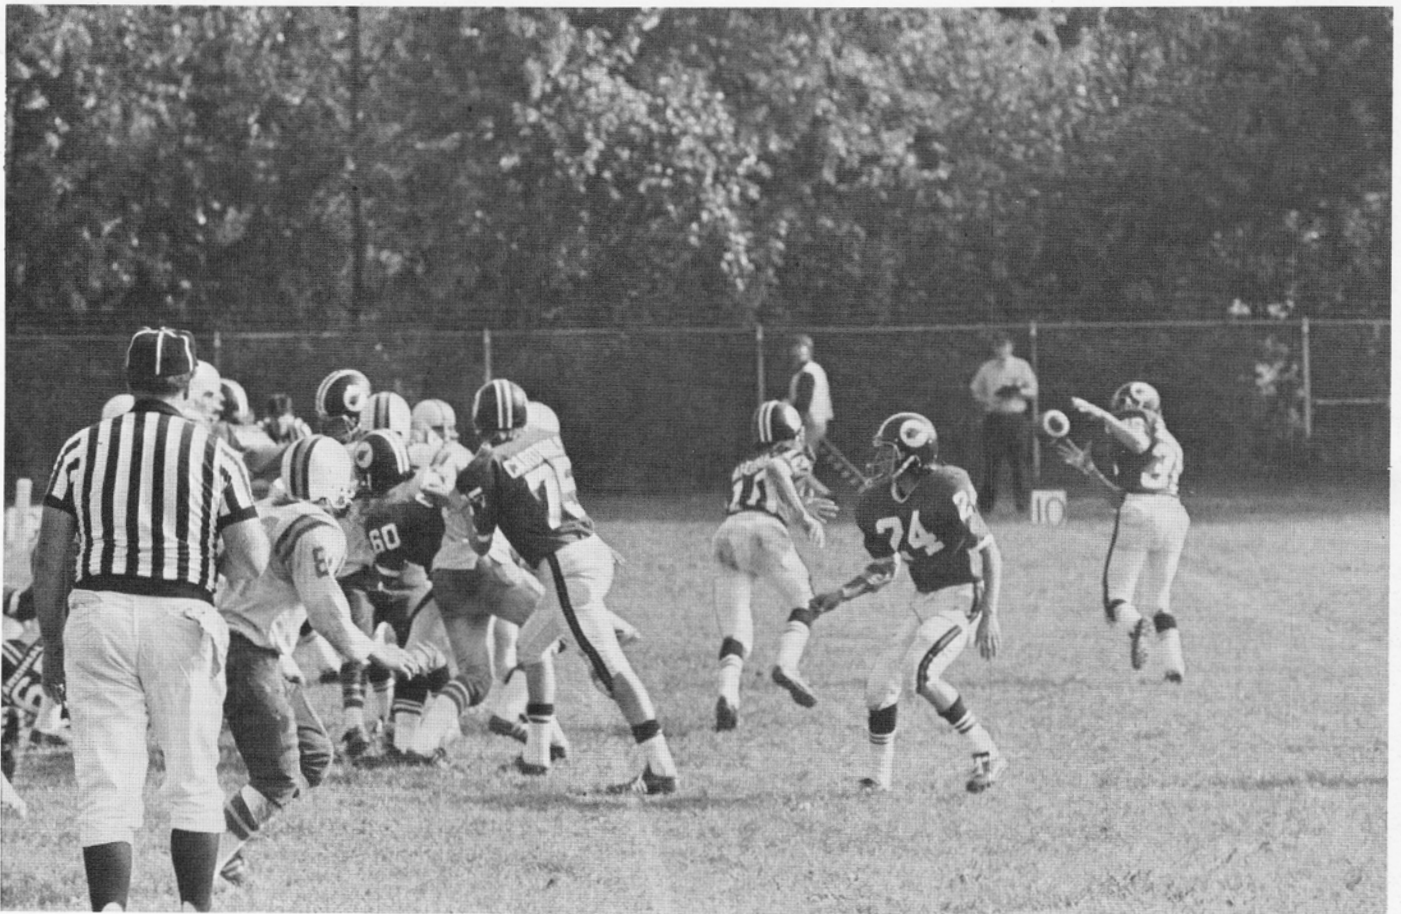

The undermanned Cardinals shocked the heavily-favored North Carolina School for the Deaf by tying them 20-20 in our 32nd annual homecoming game after trailing 20-6 in the first half. Coach DeVito called the tie a moral victory for his squad.

VSD evened its record for the season of 2-2-1 by a 14-7 victory over a most improved and stubborn West Virginia School for the Deaf on our gridiron before losing the next five games.

Donald Blankenship was our leading rusher with 111 carries for 704 yards as well as our leading pass receiver with 20 receptions for 314 yards. Wade Thomas, freshman quarterback, passed for 5 touchdowns and completed 62 out of 176 attempts for 761 yards, an average completion of 12 yards, giving up 21 interceptions.

Kenneth Kingery was our leading defensive man with 49 unassisted tackles and 19 assisted tackles. Charles Gornto was second in the defensive category with 43 unassisted and 22 assisted tackles.

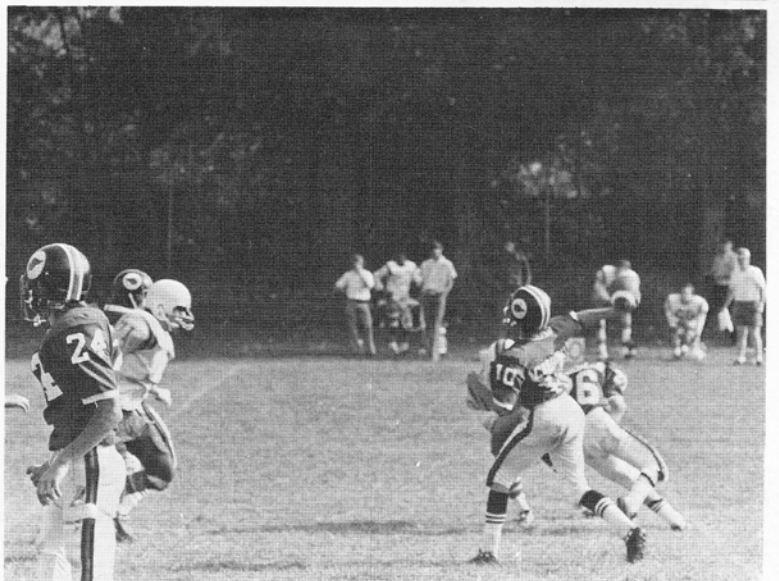

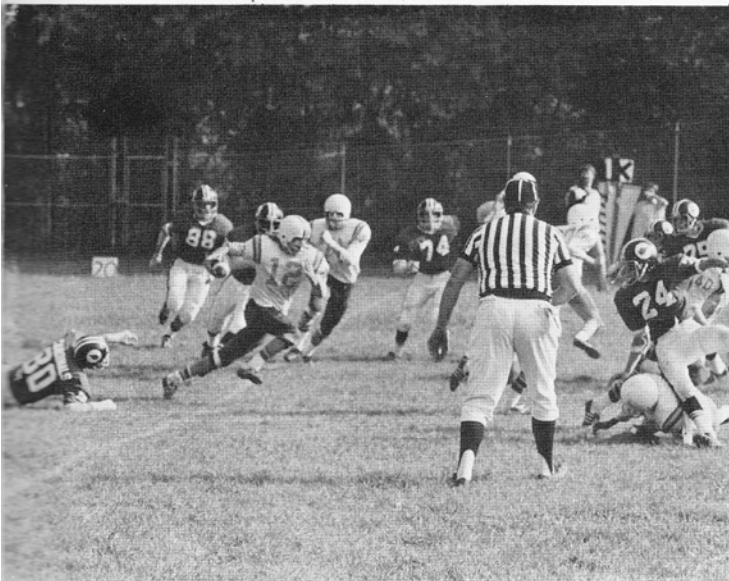

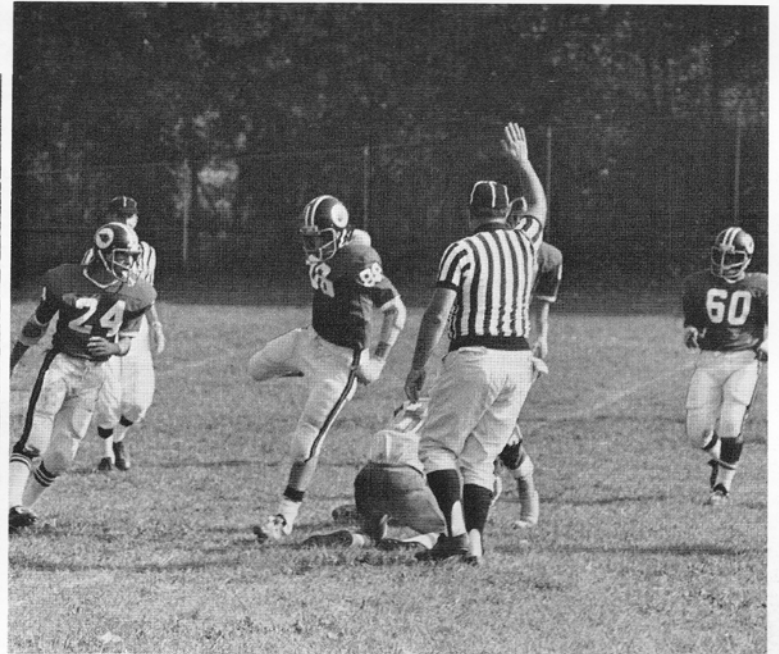

The departing seniors are Benny Warden, Kenneth Kingery, Donald Blankenship, Larry Fortune, Wally Hucul, and Mike Wright. Jeff Spielberger, who is also a senior, has been our A-1 manager for the last four years. Jeff will be sorely missed.

# VARSITY BASKETBALL

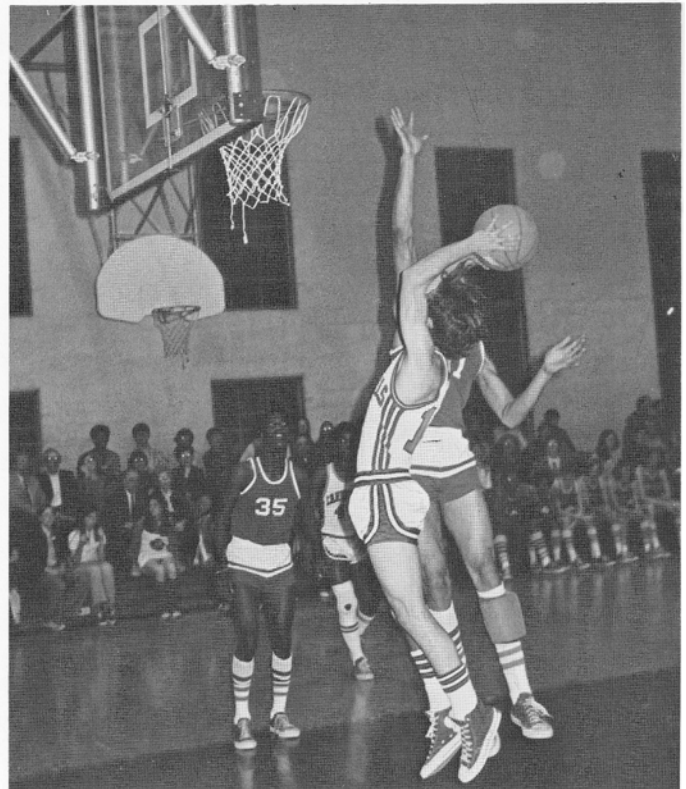

1st ROW (LEFT TO RIGHT): David Owens, Lester Thompson, Mike Jones, Wade Thomas, Jeff Spielberger-Manager, 2nd ROW: Assistant Coach Panella, Gary McLawhorn, David Walters, Rusty Thompson, Coach DeVito.

The VSD Varsity basketball team finished the 1973-74 season with a record of 1 and 18, which does not show the improvement the team made over the course of the season. VSD had only one senior on the team but everyone else will be returning next year when we are looking forward to continued improvement.

## “Memories of VSD”

"Time goes, you say? Ah no! Alas, time stays, you go."

H. A. Dobson

FRONT DRIVE CIRCA: 1939

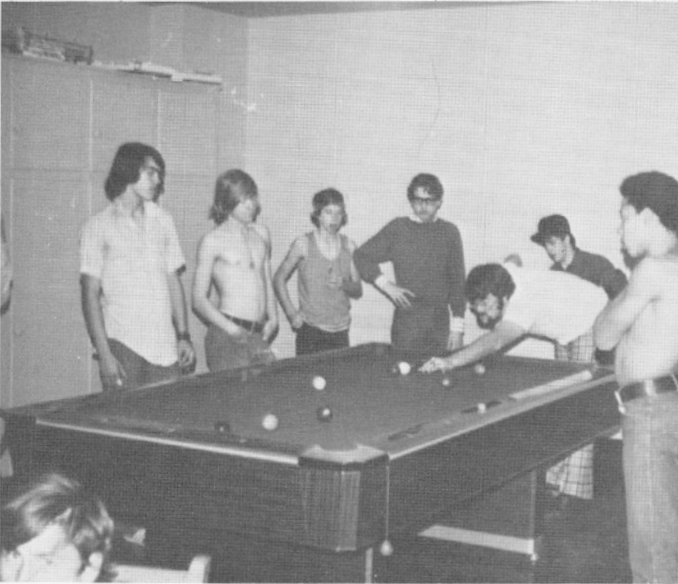

Little girls are . . .

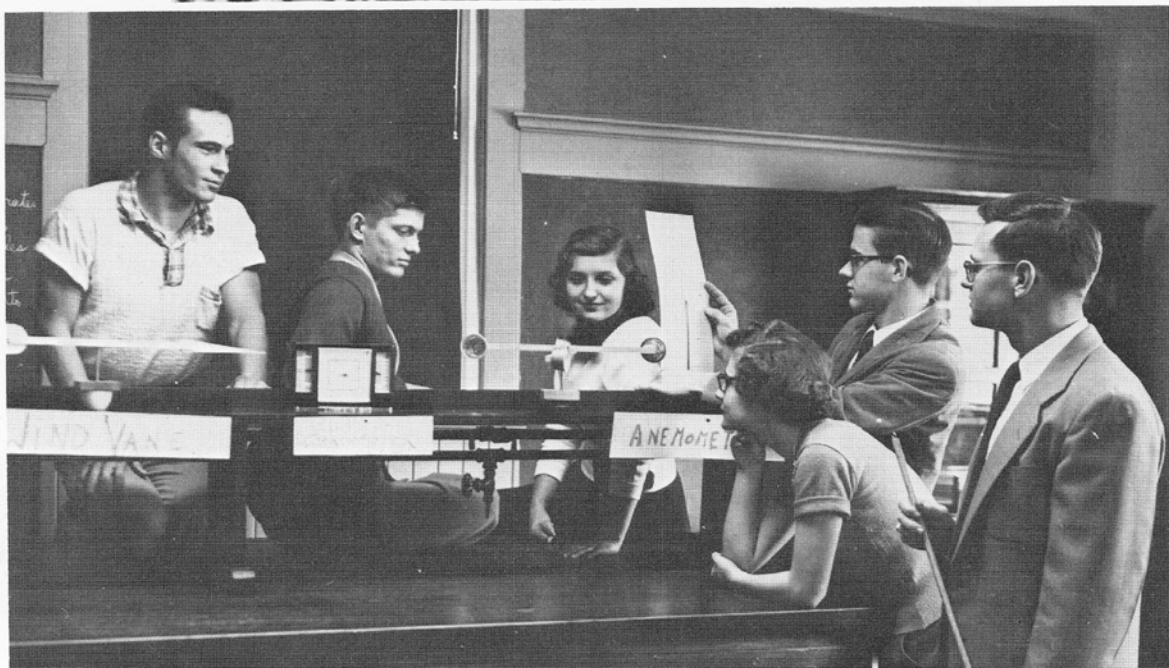

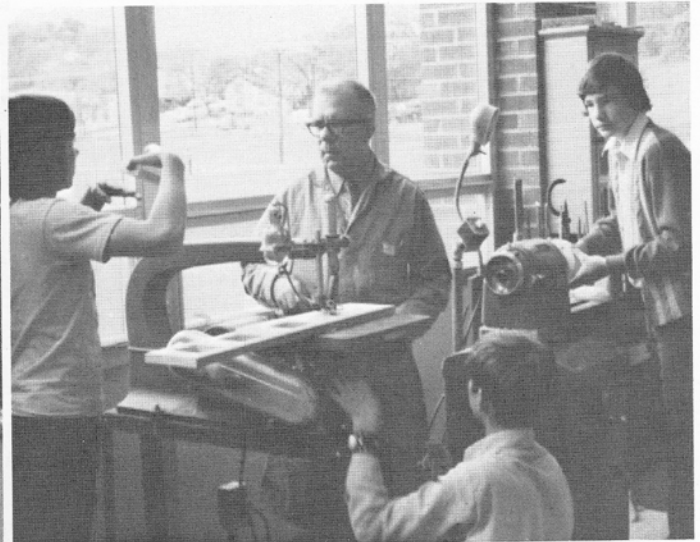

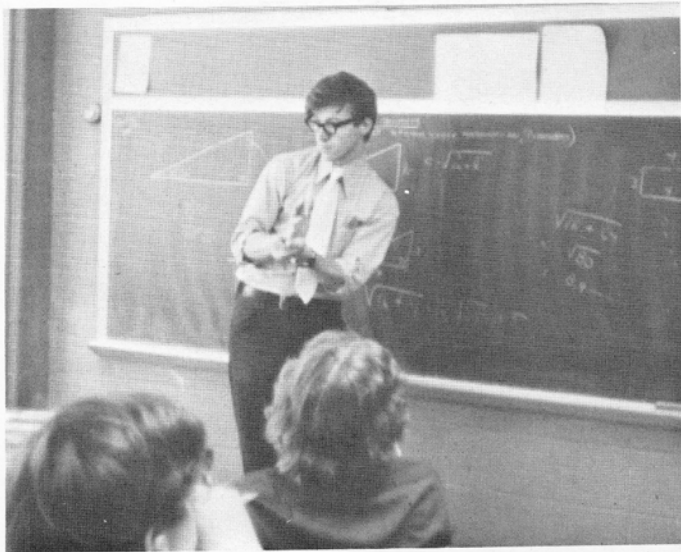

little girls.

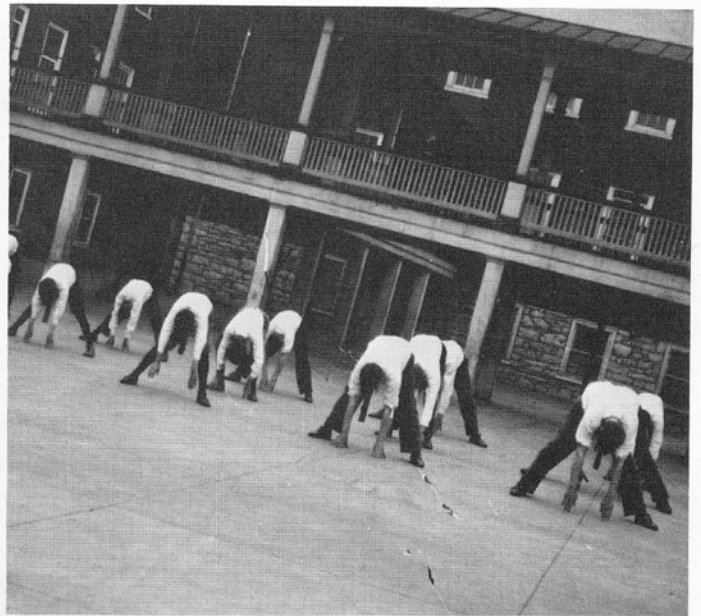

As the departing seniors leave for the world, we hope that they will take with them the memories which we have captured in these pages. These memories will be shared by everyone who reads this book and each memory will surely awaken others. Hence when graduation day arrives the seniors will be able to say: "I have more memories than if I were a thousand years old". These will be memories to cherish for they will ever grow green.

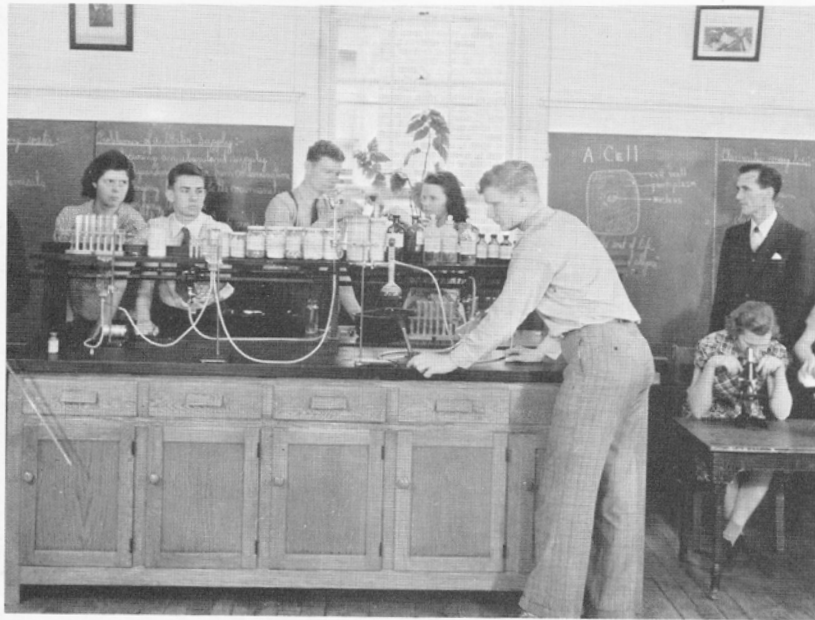

Memories of Leisure Time . . .

Fashions May Change But People Remain People

## Epilogue

When the state of Virginia charted its school for the deaf in 1838 cows grazed peacefully where, 136 years later, the class of 1974 would graduate.

During these years, man and his many tools have been at work and changes have taken place.

Things may change, but their memory remains.
